

LAW SCHOOL SHAPES YOUR MIND. **PLI GUIDES YOU THROUGH PRACTICE.**

For more than eighty years, Practising Law Institute (PLI) has mentored lawyers and legal professionals just starting their careers. Our founder realized that, although law school shaped his mind, he lacked the practical knowledge to succeed in his daily practice. We honor that commitment to the legal community and continue to deliver high-quality training and instruction with a focus on making every legal professional a stronger practitioner.

We have identified PLI titles that will boost your studies. All are authored by leading practitioners, and are available on PLI PLUS, our online research tool. Access PLI PLUS through your library today!
