

RESEARCH TOPIC GUIDE

PLI PLUS is a great place to begin your research because all PLI Press publications are secondary sources that contain expert analyses of today's legal controversies. Our publications, form templates, and program transcripts provide users with authoritative background information, as well as insights into the positions of leading practitioners from law firms, corporations, government, and academia.

BLOCKCHAIN TECHNOLOGY

Scenario

After reading about how blockchain might revolutionize the financial industry, a legal researcher is curious to learn more about this new technology and how it is being regulated.
