

RESEARCH TOPIC GUIDE

PLI PLUS

PLI PLUS is a great place to begin your research because all PLI Press publications are secondary sources that contain expert analyses of today's legal controversies. Our publications, form templates, and program transcripts provide users with authoritative background information, as well as insights into the positions of leading practitioners from law firms, corporations, government, and academia.

CYBERSECURITY

Scenario

Following several well-publicized cybersecurity breaches at major organizations, a researcher is tasked with drafting a memo on how a client might adopt the National Institute of Standards and Technology (NIST) Cybersecurity Framework

Search
NIST /s cyber!

Results
