With grateful acknowledgement to

Kathleen E. McCarthy
For her countless contributions to this endless project, including her insights into the rapidly changing world of trademark law, her alertness to the latest developments, and her overall perspective and judgment

Dylan Rothstein
For his innovative ideas, conscientious editing, and excellent organizational skills in assembling the extensive new materials for publication

Isaac Reisman
For his careful review of proposed new additions and their proper placement in the text

Dedicated to my partner in law and life

David H.T. Kane

And the five youngest Kanes, who are spreading their wings with

Study and work in Japan in her last year at Harvard—Michaela Jai-Mei Kane
Attendance at USC School of Cinematic Arts—Catherine Susan Kane
Moving on to Harvard University—Cassandra Jai-Lei Kane
Mock trials and rock climbing in Atlanta—Robert David Kane
Computers, computers, computers—the youngest—John Fuller Kane

Who each year are joyful reminders of what is really important
SIEGRUN D. KANE is a partner in Kane Advisors, LLP. She received her J.D. from Harvard Law School and has spent her career specializing in litigating trademarks in the federal courts and the USPTO.

Siegrun also acts as a consulting and testifying expert. She has been repeatedly listed in The Best Lawyers in America, New York Super Lawyers, The International Who’s Who of Trademark Lawyers, and other “Who’s Who” publications. Her views on trademark issues have been reported in the Wall Street Journal.

Siegrun is a frequent lecturer for the International Trademark Association, Practising Law Institute, and other continuing legal education organizations. She has served on various advisory boards including the McCarthy Center for Intellectual Property and Technology Law at the University of San Francisco.
## Table of Contents

**About the Author** ........................................................................................................... ix

**Table of Chapters** ........................................................................................................... xi

### Chapter 1 Introduction

§ 1:1 The Basics.................................................................................................................. 1-2

§ 1:1.1 What Is a Trademark? ........................................................................................... 1-2

§ 1:1.2 Trademark Versus Service Mark ........................................................................ 1-3

§ 1:1.3 Trademark Versus Trade Name .......................................................................... 1-4

§ 1:1.4 Certification and Collective Marks ...................................................................... 1-4

§ 1:1.5 Relation Between Trademarks and Other Intellectual Property Rights ........ 1-5

[A] Trademarks and Unfair Competition ..................................................................... 1-5

          Descriptive Marks .............................................5-13
  § 5:1.9  Use Required for Federal Registration
          Compared with Use Sufficient for Priority ......5-14
  § 5:1.10 Summary .............................................................5-14
§ 5:2  Proper Trademark Use ...............................................5-14
  § 5:2.1  The Basic Rules ..................................................5-15
    [A]  Trademark to Be Accompanied by Generic
          Term .................................................................5-15
    [B]  Setting the Trademark Apart ..............................5-15
    [C]  TM and Registration Notices ..............................5-16
Table of Contents

[D] Claims of Exclusivity ...........................................5-17
[E] Trademarks and Grammar ..................................5-17
§ 5:2.2 The Consequence of Improper Use ...............5-18
§ 5:3 Measuring the Purchaser’s Understanding .............5-20
§ 5:3.1 Discounting Purchaser Motivation: The
Monopoly Case ..................................................5-21
§ 5:3.2 When Purchaser Association Won’t Help:
De Facto Secondary Meaning ................................5-23
§ 5:3.3 Change in Public Perception May Revive a
Once Generic Term .............................................5-24

Chapter 6 Registering a Trademark

§ 6:1 The Benefits of Federal Registration ......................6-2
§ 6:1.1 The Principal Versus the Supplemental
Register ..................................................................6-3
§ 6:1.2 Federal Versus State Registration ...................6-5
§ 6:2 Basic Requirements for Federal Registration .......6-5
§ 6:3 Procedure for Federal Registration: Overview ......6-6
§ 6:3.1 The Trademark Law Treaty Implementation
Act, Effective October 30, 1999 ..........................6-6
§ 6:3.2 Use-Based Application ....................................6-6
§ 6:3.3 Intent-to-Use Application ...............................6-7
[A] Declaring Your Intentions .................................6-8
[B] Making Good on Your Intentions: The
Statement of Use ................................................6-10
§ 6:4 The Trademark Application: Form and Content .....6-12
§ 6:4.1 Identification of the Applicant .........................6-12
§ 6:4.2 Description of Goods or Services ....................6-12
§ 6:4.3 Designation of Class .......................................6-13
§ 6:4.4 Dates of Use ..................................................6-13
§ 6:4.5 Specimens .....................................................6-14
§ 6:4.6 Drawing of the Mark: Less Is More ..................6-17
§ 6:4.7 Amendments to the Drawing: Material
Alterations Not Permitted ......................................6-20
§ 6:4.8 Verification and Execution by Applicant .........6-20
§ 6:4.9 Requirements for Filing Date .........................6-22
§ 6:4.10 Foreign Applicants .......................................6-22
§ 6:4.11 Electronic Filings .........................................6-24
§ 6:4.12 Summary ....................................................6-26
§ 6:5 Overcoming Rejections ...............................................6-27
  § 6:5.1 Procedure .............................................................6-27
    [A] Time for Responding ..........................................6-28
    [B] Final Rejections ...................................................6-29
  § 6:5.2 Grounds for Rejection ........................................6-29
  § 6:5.3 Responses to Rejections ......................................6-32
    [A] Telephone Interviews ..........................................6-32
    [B] Overcoming Descriptiveness Rejections ..........6-32
    [C] Overcoming Surname Rejections .......................6-33
    [D] Claiming Distinctiveness Under Section 2(f) ......6-34
    [E] Transfer to Supplemental Register .....................6-36
    [F] Disclaimers ..........................................................6-37
    [G] Overcoming Prior Registrations .......................6-38
  § 6:6 Review of Examiner Decisions ..................................6-42
  § 6:6.1 Review by Appeal to Trademark Trial and Appeal Board ..................................................6-42
    [A] Timing .................................................................6-42
    [B] Reconsideration and Appeal from Board Decision ...............................................................6-43
  § 6:6.2 Review by Petition to the Commissioner ............6-44
  § 6:6.3 Error in the Examination Process: Restoring Jurisdiction to the Examiner ........6-45
  § 6:7 The Madrid Protocol ..................................................6-47
  § 6:7.1 Overview ..............................................................6-47
  § 6:7.2 United States Accession to the Protocol ............6-47
  § 6:7.3 Basic Filing Procedures Under the Protocol ..........6-47
  § 6:7.4 Considerations for U.S. Applicants .................6-49
  § 6:7.5 Considerations for Non-U.S. Applicants Filing in the United States .........................6-50

Chapter 7 Maintaining a Registration

§ 7:1 Overview of Maintenance Requirements .................7-2
  § 7:1.1 Trademark Electronic Application System (TEAS) ..............................................................7-3
  § 7:1.2 Meeting the Deadline: The World According to TEAS ...........................................................7-3
  § 7:1.3 The Importance of Being the Owner ....................7-4
  § 7:2 The Section 8 Affidavit of Use ................................7-4
    § 7:2.1 Use in Commerce .................................................7-6
    § 7:2.2 Unlawful Use ...................................................7-6
Table of Contents

§ 7:2.3 Specimen Showing Current Use ..........................7-7
§ 7:2.4 Deadline for Filing Fifth-Year Section 8
  Affidavit of Use......................................................7-8
§ 7:2.5 Fraud..............................................................7-8
§ 7:2.6 Summary ..............................................................7-10
§ 7:3 The Section 15 Affidavit of Incontestability..............7-10
§ 7:3.1 Requirements.......................................................7-10
§ 7:3.2 The Benefits of Incontestability .........................7-11
§ 7:3.3 The Shield Becomes a Sword ............................7-12
§ 7:3.4 How Sharp Is the Incontestable Sword?...........7-13
  [A] Equitable Defenses Are Available......................7-13
  [B] Incontestability and Trademark Strength ..........7-13
  [C] Exceptions to Incontestability.............................7-14
§ 7:3.5 Fraud....................................................................7-16
§ 7:3.6 Summary ..............................................................7-16
§ 7:4 Registration Renewals.................................................7-17
§ 7:4.1 Deadline...............................................................7-17
§ 7:4.2 Requirements.......................................................7-18
§ 7:4.3 Fraud....................................................................7-19
§ 7:4.4 Summary ..............................................................7-20
§ 7:5 Updating a Registration ..............................................7-20
§ 7:5.1 Changes in the Mark ..........................................7-21
§ 7:5.2 Changes in the Goods.........................................7-21
§ 7:5.3 Correcting Mistakes: Whose Mistake Was
  It Anyway? ...........................................................7-22

Chapter 8 Protecting a Trademark from Infringement

§ 8:1 Likelihood of Confusion ...............................................8-3
§ 8:1.1 Confusion of Any Kind.........................................8-3
  [A] Initial Interest Confusion.........................................8-3
  [B] Post-Sale Confusion ..............................................8-4
§ 8:1.2 Likelihood Means Probable, Not Possible...........8-6
§ 8:1.3 Factors to Consider in Determining Likely
  Confusion......................................................................8-6
  [A] The Strength of Plaintiff’s Mark..............................8-7
  [B] The Degree of Similarities in the Marks...............8-12
  [C] Proximity of the Goods .......................................8-18
  [D] Likelihood of Bridging the Gap .............................8-20
  [E] Defendant’s Intent.........................................................8-22

(Kane, Rel. #8, 11/17) xix
Chapter 9  The Evolution of Dilution: Survival of the Strongest

§ 9:1  Overview .................................................................9-3
§ 9:1.1  What Is Dilution?..................................................9-3
